Launch Plan

We are shipping the **desktop app** next month. This paragraph is long enough that it will wrap onto a second line when printed to PDF, which tests paragraph joining.

Tasks

- [x] Finish the editor
- [ ] Write release notes

Risks

- Search may be slow on huge workspaces
  - Nested risk item
- Shortcut conflicts with other apps

Loose text inside a div with a link.

Owner	Due
Mukul	Friday

```
npm start
npm test
```
